PROGRAMME OUTLINE

Duration: 12 sessions over 5 months (May – September)

The Company of Good Fellowship programme provides opportunities for Fellows to build capabilities and ideas on impactful business solutions while leveraging corporate best practices in doing good. In addition, Fellows will be empowered to institutionalise systems and processes that can integrate the strengths and assets of their organisations with the prevailing needs of the community.

Here is how the curriculum of the annual programme is structured:

OPPORTUNITIES IN FELLOWSHIP AND BEYOND

Mentorship

Receive guidance from experienced professionals and experts for action projects.

Events, dialogues & seminars

Get invitations to join exclusive opportunities, initiatives and events by NVPC.

Networking & partnerships

Attend networking and learning sessions hosted by the Fellowship community to explore potential partnerships, deepen learnings in leadership, and discover insights in strategic corporate giving.

Action Project

Design and develop an action project to kickstart or improve the organisation's efforts in doing good.

WHY BECOME A FELLOW

Make connections

Be part of a growing community of business leaders with the same drive and purpose to do good.

Engage experts

Engage with seasoned practitioners, sector leaders and industry experts on doing good well.

Take action

Put theory into practice. Collaborate on strategic, sustainable and impactful initiatives.
